### Information Meeting on Pimmit Run Stream Valley Set

The Fairfax County Park Authority is holding a public information meeting on Monday June 4, 2007 at 8 p.m. in the McLean Government Center Community Room, 1437 Balls Hill Road, McLean, VA. The purpose of the information meeting is to provide information concerning the proposed construction of a half mile section of natural surface trail located within Pimmit Run Stream Valley Park. The park properties involved in this project begin at the crossing of Pimmit Run and Old Dominion Drive and end to the north at Brookhaven Drive in McLean. The Pimmit Run Stream Valley Trail is a volunteer based, community-initiated project.

The Park Authority utilizes the Countywide Trail Plan, which is part of the Fairfax County Comprehensive Plan as a guide for establishing trails in our parks. This section of the Pimmit Run Trail (PRT) is designated on the plan as a stream valley trail. Furthermore, the Needs Assessment Survey recently conducted by the Park Authority indicates that trails are the most used feature of parks in Fairfax County. The construction of this trail is part of the Park Authority's effort to meet the demand by citizens for additional trails. Additional information on the Countywide Trails Plan is available for review at the Fairfax County Park Authority at the Herrity Building, 12055 Government Center Parkway, Suite 421, Fairfax, VA.

If you would like more information, please call the Park Authority's Public Information Office at (703) 324-8662 or send an email to [parkmail@fairfaxcounty.gov](mailto:parkmail@fairfaxcounty.gov).

Technical questions on the construction of the trail will be accepted at the meeting or can be mailed to Tom McFarland, project manager, Special Projects Branch, Fairfax County Park Authority, 12055 Government Center Parkway, Suite 421, Fairfax, VA 22035. Email comments should be sent to: [parkmail@fairfaxcounty.gov](mailto:parkmail@fairfaxcounty.gov).
